

Mrs. & Mr. Milind Kulkarni
Pune.

"Awesome" is a word more often used by our younger generation; when our teenaged daughter used this word upon our arrival at this unique green valley, which we now call our home, I knew there wouldn't be a more apt word to describe this fascinating and heavenly place.

Maybe the beach is a ten minute drive from here as are the Bixla Temple and the Datta Mandir; but give us the KAVAYLA anytime. It is very difficult to go anywhere else.

Never felt we were away from home; the warmth and love with which we were showered with; the lip-smacking, mouth-watering food and the unbelievable comfort level at the rooms... and today, as we get ready to leave, it is with a very heavy heart but with the knowledge that we have now found our true home away from home.

I can offer no suggestions to Vijay, Uma and dear Nihira. Continue to be as you are at this place we call heaven.

We are coming back.

Lots of love.
